Description of Services:

Non-urgent health care telephone triage service. Just three numbers - 8-1-1, and you will have access to non-emergency health information and services. If you are hearing-impaired and would like to access this service, call 7-1-1 (TTY).

Provider's Remarks:

When you call 811, our Registered Nurses will give you the advice and information you need and provide reassurance concerning all kinds of general health issues and questions. Advice and information may include a recommendation to see your doctor or visit your local emergency department. You can also obtain information about health issues and services available in your community.
