Description of Services:

The Tantallon Village Farmers Market is typical of farmers markets that emphasize fresh, locally grown produce, sustainably raised animal products, prepared foods and beverages, and hand-made local crafts. The market is a community space where friends and families gather and enjoy life on the Bay.

Provider's Remarks:

Having our very own local farmers market in the Tantallon area was the dream of a small group of volunteers that formed early in 2012. That dream is now a reality! From a very modest beginning we have grown to become a thriving market with over 40 vendors participating in the 2018 season. Tantallon Village Farmers Market is seen as a community gathering space where friends and families gather to enjoy life on The Bay. This will be an outdoor market that will be held every Tuesday between 2:00 and 6:00 PM at the intersection of Peggy's Cove Road and St. Margaret's Bay road. For 2018 the market will run every Tuesday from June 12th through to October 16th. The Market originated as a project of Transition Bay St. Margarets.
