Description of Services:

I am a teacher offering in home or online plant based cooking workshops. Learn how to shop for and prepare delicious plant based foods according to your tastes, budget and health/wellness goals. Additionally offering educational workshops and speaking opportunities on plant based cooking, vegan living, animal welfare or the health and environmental benefits associated with plant based food.

Provider's Remarks:

I love helping people learn how to incorporate more plant based foods into their diet in an easy, healthy and cost effective way.
