Description of Services:

The St. Margaret's Bay Breakers Summer Swim Team is a competitive swim team for ages 5 years to 18 years old for families in the St. Margaret's Bay and surrounding areas. We are part of the Swim Nova Scotia's summer swimming program. During our 10-week summer swim program, we practice out of the St. Margaret's Centre outdoor pool. Although we are a competitive swim group, we are a family-friendly team, encouraging our kids to be active, have fun and meet their own goals. We support our swimmers and their families to ensure all kids have a positive swim team experience. We follow Swim Nova Scotia's Long Term Athlete Development Model. Summer swim practice is 4 mornings and 4 evening a week, with Swim Competitions taking place on weekends. You can go to what you want when you want. The Breakers host a Fun Meet each summer and Nova Scotia Swim Provincials take place in August as the final event for the year. Swimmer Requirements: We suggest that a swimmer has at least level 5-6 Swim Kids, but it is assessed on an individual basis. Off season Future Breakers is a great option for those starting out!
