Seniors Home Maintenance Program

Brush and Downed Trees Removal
April to November 2026

The brush and downed tree removal program for Seniors Association members is very popular and the volunteers will work their way through a list as requests are received.

We focus on clearing up and removing fallen trees or brush that may be blocking or interfering with your driveways, access to outbuildings or enjoyment of yard spaces near your house. Volunteers can serve paid up Members who live within 20+/- km. of Upper Tantallon.

To help understand your situation can you please give us a few details ...

How many trees are down?

Do you know how many trees may be hardwood ie. leaf trees / not needle trees?

Hardwood **Softwood** **Don't know**

Besides these trees do you have brush to remove? **No** **Yes**

We can remove two trailer loads of trees and brush the first time and may be able to come back for more later on ...

Are your trees or brush within 100 ft of the driveway, or where we can back a trailer to get close to them?

Approx. distance from a driveway? **ft.**

Name:

Phone:

Email address (if any):

Civic Address:

Additional information (if any):

For safety reasons our volunteers don't work on rough or very sloping ground.

Thank you for your information. One of our brush and tree volunteers will contact you.
