Provider's Remarks:

I am passionate about travelling and always look for the best deals wherever I shop! I want to be able to help you and your family find the best vacation deal for your price point. I took my first flight in 2002 to Washington, DC to visit a friend and I was hooked - now I want to explore the world! I love being a Travel Professional and so far I have travelled to Las Vegas, Nevada (many times - I love it there!). I have also been to Southern California, Southern Texas, and Maine, USA. I have ventured to Bermuda, cruised the Caribbean to see Jamaica, The Grand Cayman Islands, Cozumel, Mexico and the Bahamas. Canada is the place I call home and have explored all areas of Nova Scotia with even still more 'hidden' places to see. I've been to New Brunswick, Prince Edward Island, Quebec, Ontario and even a day was spent in Vancouver and Calgary too! Eventually wanting to have great adventures all over the world to hopefully knock a few more places off my bucket list! I am a Certified Autism Travel Professional! I look forward to working with you and your family soon to book your next adventure whether it is locally or away!
